#### **On skin contact :**

If irritation appears, remove any contaminated clothing . Wash affected areas thoroughly with soap and water.

If irritation persists or any sign of tissue damage is apparent, obtain medical advice.

#### **On contact with eyes :**

## ÄPPLEBLOM (1720)

Immediately wash affected eyes for at least 15 minutes under running water with eyelids held open, consult an eye specialist

### **On ingestion :**

Rinse mouth immediately with water. Don't drink anything. Do not intend make vomit and seek medical attention.

### **4.2. Most important symptoms and effects, both acute and delayed.**

None.

### **4.3. Indication of any immediate medical attention and special treatment needed.**

None.

## **5. FIRE-FIGHTING MEASURES.**

### **5.1. Extinguishing media.**

#### **Suitable extinguishing media :**

Foam or powder or carbon dioxide extinguishers Combat the important fires with water spray or foam resistant to alcohol.

#### **Unsuitable extinguishing media :**

Do not use a direct water jet on the burning product.

Refer to the protective measures listed in sections 7 and 8.

NO SMOKING. Do not expose to flame or any potential source of ignition (e.g. electrical equipment).

Avoid contact with skin and inhalation of vapours. Ensure adequate ventilation of the workplace.

For non-emergency personnel:

Avoid all contact with skin and eyes.

For rescuers:

Stakeholders will be equipped with appropriate personal protective equipment.

### **6.2. Environmental precautions.**

Avoid direct discharge to sewer, surface water and groundwater, not make to penetrate into the soil (see item 6.3).

### **6.3. Methods and material for containment and cleaning up.**

Absorb material with inert absorbent powder or granules (sand ...)

Major spills should be absorbed by sand or inert powder and destroyed of according to applicable regulations. If rags are used to wipe up, quickly get rid of by incineration, as cases of auto-oxidation with spontaneous combustion are known.

Clean dust with a vacuum cleaner. Wash with detergent and water.

Reduction of gases / fumes with water projection

### **6.4. Reference to other sections.**
